

## PROJECT PLANING MILESTONE AND ACTIVITY LIST

|              |                                     |
|--------------|-------------------------------------|
| DATE         | 26 OCTOBER 2022                     |
| TEAM ID      | PNT2022TMID35642                    |
| PROJECT NAME | UNIVERSITY ADMIT ELGIBILITY TRACKER |

|                          |  |
|--------------------------|--|
| PLANNING<br>(4 days)     | Planning all the modules and features which are going to be implemented  |
| REQUIREMENTS<br>(3 days) | In this phase the softwares and tools and required resources are gathered and installed  |
| DESIGN<br>(2 weeks)      | We design all the modules like login page, dashboard, Academic details form ,etc   |
| DEVELOPMENT<br>(2 weeks) | In the phase we develop the predictor which uses the previous dataset and academic details of the student. In this phase we use a Machine learning algorithm for prediction in which college a particular student is eligible in |
| TESTING<br>(1 week)      | We test the model if we face any error we debug the error  |
| DEPLOYMENT<br>(2 days)   | In this phase we submit our entire project in github   |
